Supplier Quality Notice of a new document

088206 First Piece-First article Checklist

This is to notify you of a new document that has been created to assist our suppliers with conducting First Article Inspection or a First Piece Review. There are two parts to this document; the checklist on the first tab and the instructions on the second tab. If you should have any questions, please contact your site specific Supplier Quality Engineer.

Thank you,

Al Brooks
Supplier Quality Manager
