

October 26, 2015

To our Valued Suppliers:

This is to notify you of revisions to the BAE Systems Platforms and Solutions Supplier Quality Assurance Manual (SQAM) and Contract Deliverables Requirements (CDR's).

The SQAM has been updated to Rev 05. This revision added 7.1.2.1 and revised sections 7.2 and 9.4.

The CDRs have been updated to Rev 05. Revisions were made to CDRs 001, 002, 003, 004, 005,006, 009, 016, 018, 019, 020,023, 026, 028,032, 034, 041, 042, 051, 057, 058, 059, 060, 081. Deleted CDRs 017, 040, 053, 054, 063, 068, 069, 070, 072, 073, 074, 075, 076, 077, 078, 079, and 080. Added CDR 083. All reference of deleted CDRs have been removed from the body of the document; Consolidated all data submission CDRs into CDR 047; deleted 048, 049, 050, 051, 052.

The changes to both documents are effective on new purchase orders placed starting October 26, 2015.

Respectfully,

BAE Systems Supplier Quality Management
