SUPPLIER QUALITY NOTICE MAILBOX / SERVICES CONSOLIDATION

In an effort to gain consistency and improve efficiency, BAE Systems P&S Combat Vehicles Supplier Quality has consolidated the Supplier Quality Services for Source Inspection and CDR Paperwork Submittal. Effective immediately, All Source Inspections and CDR Paperwork Submittals will be managed from the Sterling Heights, Michigan facility.

- We have eliminated all but two of the Mailboxes. You should only use the following:
 - sqasterlinghts.pands@baesystems.com (Sterling Heights)
 - sqa.anniston@baesystems.com (Anniston)
- The Source Request Approval Form and the CDR Submission Form have been combined into one Form. It is Form #099245, Revision 10 dated 12 October 2018.
- This Form MUST be filled out for both Source Request and CDR Paperwork Submissions.
- The Supplier Quality Assurance Manual, Section 8.12 has been updated and will reflect only the above two Mailbox Addresses for Combat Vehicles.

All updated documents are accessible via the Quality Page on BAE Systems' website:
[HTTP://PNS-PURCHASING.US.BAESYSTEMS.COM](http://PNS-PURCHASING.US.BAESYSTEMS.COM).

Respectfully,
Kathy J. Raschke
