Supplier Quality Notice

095871 Contract Deliverable Requirements Rev 07

095871 Contract Deliverable Requirements Rev 08

This is to notify you of changes to BAE Systems' CDR Manual. Please see the following changes/additions:

CR Rev 07:

- Reinstated CDR 017, Paint Certification Requirement, back on the document.

CDR Rev 08:

- Added a new email address for our San Jose site, gs.sqasanjose@baesystems.com to CDR 047 Data Submission Instructions and deleted the Santa Clara email address.
- Changed any reference to Santa Clara to San Jose.
- Added Process Approval to CDR 034:
 - PROCESS APPROVAL
 - Supplier shall have the Procedure Qualification for Thermal Cutting of Steel Armor Form number 089475 completed and approved by BAE Systems Materials Engineering prior to shipment of product. This should also include the Non-Destructive Inspection documentation. The form shall be submitted per Data Submission instructions.

If you have any questions, please contact your site specific Supplier Quality Engineer.

Regards,

Al Brooks
